David Chambers Tombstone

Mary E Chambers Fallen Tombstone

Driving Directions: Located at LePointe golf course Fairway #8, Mt. Ebal Rd.

This cemetery is on private property on the Eagle Point Golf Course in Clear Creek Township. It is small and well maintained. It has been noticed lately because the wooden statute of a civil war soldier has been knocked over. We are investigating its repair with local wood carvers. Anyone knowing more about the history of the wooden statute is urged to contact the MCHC Cemetery Committee at genealogy@monroehistory.org. The Cemetery Committee will be working with the property owners and the township trustees to repair the wooden statute as well as other repairs as needed.
